

GIVING BACK

Info Cubic & American Veterans:

Info Cubic is committed to assisting American Veterans and their families.

We have a two-pronged program geared towards showing appreciation for what the many Veterans of our nation's Armed Forces have done for our country.

1. INTERNAL

Internally, we have established a rewards and incentive program with our partner Boot Campaign. When an Info Cubic employee reaches a pre-established milestone, they are rewarded with their choice of boots from Boot Campaign.

By purchasing Boot Campaign boots, we are supporting the mission to:

- **Raise Awareness**
- **Promote Patriotism**
- **Provide Assistance to Military Families, Past & Present**

The boots provide a tangible reminder that we live in the land of the free, because of the brave.

A portion of the purchase price of each pair of boots is allocated to the Boot Campaign Military Recovery Fund (MRF) to provide financial assistance to veterans in need.

2. EXTERNAL

Info Cubic recognizes the importance of helping Veterans find and secure gainful employment. So, with Info Cubic as your screening partner, you will not pay for the background screening of any American Veteran that your organization hires.
